In re Application of	:	
KUROSAWA, TAKAFUMI et.al.	:	DECISION ON REQUEST TO
Application No. 10/588,916	:	PARTICIPATE IN PATENT
Filed: July 17, 2007	:	PROSECUTION HIGHWAY
Attorney Docket No. TOS-167-USA-PCT	:	PROGRAM AND PETITION
	:	TO MAKE SPECIAL UNDER
	:	37 CFR 1.102(d)

This is a decision on the request to participate in the Patent Prosecution Highway (PPH) program and the petition under 37 CFR 1.102(d), filed October 07, 2010, to make the above-identified application special.

The request and petition are **DISMISSED**.

A grantable request to participate in the PPH program and petition to make special require:

- (1) The U.S. application must validly claim priority under 35 U.S.C. 119(a) to one or more applications, filed in the JPO;
- (2) Applicant must submit a copy of the allowable/patentable claim(s) from the JPO application(s) along with an English translation thereof and a statement that the English translation is accurate;
- (3) All the claims in the U.S. application must sufficiently correspond or be amended to sufficiently correspond to the allowable/patentable claim(s) in the JPO application(s);
- (4) Examination of the U.S. application has not begun;
- (5) Applicant must submit a copy of the office actions just prior to the "Decision to Grant" (the latest "Notification of Reasons for Refusal") from each of the JPO application(s) containing the allowable/patentable claim(s) along with an English translation thereof and a statement that the English translation is accurate; and
- (6) Applicant must submit an IDS listing the documents cited by the JPO examiner in the JPO office action along with copies of documents except U.S. patents or U.S. patent application publications.

The request to participate in the PPH program and petition fails to comply with the requirement because:

The examination of the application has already begun.

Applicant is given a time period of **ONE MONTH or THIRTY DAYS**, whichever is longer, to correct the deficiencies. **NO EXTENSION OF TIME UNDER 37 CFR 1.136 IS PERMITTED.** If the deficiencies are not corrected with the time period given, the application will await action in its regular turn.

Response must be submitted via EFS-Web with the document description: Petition to make special under Patent Pros Hwy. Information regarding EFS-Web is available at http://www.uspto.gov/ebs/efs_help.html.

Telephone inquiries concerning this decision should be directed to Ram R. Shukla at 571-272-0735.

All other inquiries concerning the examination or status of the application should be directed to Patent Application Information Retrieval (PAIR) system.

A handwritten signature in black ink, appearing to be 'R. Shukla', with a long horizontal line extending to the right.
